Greetings Prescott families and friends!

Saludos! Greetings! We hope you and yours are healthy and safe! We want to be in ongoing communication with families about updates to Hybrid/Remote Learning.

Our second forum regarding Hybrid/Remote Learning took place this past Thursday. It helped provide detailed information to families and feedback from families, staff, and students about the plan. With this feedback, we have further updated the plan. Our next discussion time will be at the special LSC meeting on Tuesday, January 19 at 5pm. All are welcome! Here is the [special Zoom link](#) meeting ID: 893 0940 8001 and Passcode: 023e10.

- We will hold **weekly forums to share information and get feedback**. We want the forum to strengthen our communication and to improve our plan. (For tech support, please ask your child or another parent as we do not have tech support).

- **On Wednesday mornings, we will send this updated guidance for you to read before Friday's forum.**
- **We will highlight updated information in yellow**, so you don't have to re-read the entire document.
- With the Wednesday update, **we will send you a [Prescott community weekly survey re: Hybrid/Remote Learning](#) for you to ask questions to be addressed at the forums**. Please note that the school will answer some questions immediately, but some may require further research or need to be deferred to the district. To save time for unanswered questions, we will not address questions that have been answered in this guidance.

Scholastic Book Fair got books to children

Thanks to parent leader Linda Cho for organizing the Scholastic Book Fair in December! Some \$924.83 for books purchased and shipped. Prescott earned a similar amount to other schools.

Battle of the Books battle is coming soon! A

link to the recorded event will be available to families to view after the battle.

As a group, Room 101 brainstormed symbols for love, kindness, peace and freedom. They used these symbols as a background for a portrait of Dr. King. They chose their own medium to express their ideas. Featured work by: Gabby G, Madelyn F, Mimi R, Anna S, Alicia K, Aidan P, Ella S, Brandon K

Hope, by Natalie C, Grade 7:
I chose the word hope because it is a new year which means a fresh start and hopefully better things will come because 2020 was hard. I used value and perspective so that the letters seem real and not 2D.
I think a success is that the letters look 3D(real). A challenge is making sure the shading was not too dark and not too light.

The Kindergarteners read the story Make Something Beautiful and made self portraits inspired by the cover. They learned how to mix their very own skin color using watercolor paints. They were able to choose as the artist what medium they wanted to use to finish the top half of their portrait.
