Prescott School

Mission Statement

The mission of Prescott Elementary School is to nurture creative minds and caring hearts that contribute significantly to their communities, through: rich and rigorous academic experiences that are tailored to individual needs, divergent thinking and artistic expression, work in collaborative teams, and supportive partnerships.

Vision Statement

Prescott Magnet Cluster School envisions a caring community of learning that encourages and supports children:

- to take intellectual risks,
- to take personal responsibility for decisions,
- to value others and honor diversity,
- to critically analyze and interpret information,
- to find their individual paths to success and to contribute to the greater good,
- to be stewards of the planet, and
- to develop their whole person, so that all students attend college-preparatory high schools on their way to university enrollment and life-long learning.

What is an LSC?

Chicago Public Schools have Local School Councils (LSC) which are responsible for three main duties:

1. Approving how school funds and resources are allocated
2. Developing and monitoring the annual School Improvement Plan
3. Evaluating and selecting the school's principal

Traditional Local School Councils consist of the following members:

- 6 parents
- 2 community members
- 2 teachers
- 1 non-teacher staff
- school's principal
- student representative (high school LSCs only)
